- ❖ Our Focus

## Tool Storage Cabinet

We are prominent **Tool Storage Cabinet manufacturer** of India and offer them in diverse designs & width of 570 / 720 / 1020 mm to suit different applications. These powder coated high finishing cabinets have multiple drawers with a load bearing capacity of up to 200 kg UDL and glide smoothly while opening & closing because they are mounted over slider with heavy duty ball bearing . Dividers and partitions are also offered for organized storage of tools and spares.

## Tool Storage Cabinet Exporter

We are the leading **tools storage cabinet exporter** of India. Our **tools storage cabinets** are immensely preferred in the international market mainly in the nations like **Malaysia, U.A.E, U.K., South Africa** and **Brazil** owing to their unmatched designs, robustness, versatile usage, perfect tools & spares organization system, excellent load bearing capacity of the drawers, smooth & user-friendly movement of the drawers and ideal locking system etc. These cabinets are frequently imported by the countries like **Bahrain, Kenya, Indonesia, Philippines** and **Australia** etc. Our products are trusted for their quality and chosen for their affordability.

## Steel Pallet Manufacturer

We as the leading **steel pallet manufacturer** of India manufacture them very qualitatively in compliance to the industrial standards. We offer them in different varieties like Single deck steel pallet, Drum pallets with excellent load bearing potential of up to 3000kg UDL. These **Steel pallets** have two way entries and are preferred for application in heavy duty racking process. These are sturdy, have good tensile strength, corrosion resistance and incredible durability. They are reasonable priced too.

### Salient Features :

- Long-lasting
- Weather resistant
- Fire resistant

## Industrial Workstation India

We are the leading manufacturer & supplier of **Industrial workstation in India**. These products are fabricated qualitatively with add-on table in compliance to the industrial standards with high grade materials. This table can be attached on either one side or both the sides of the workstation. The design of this product promotes better and faster work in the assembly lines. This product is preferred by numerous Industries like cargo industries, electrical industries and food packaging industries in the cities like Mumbai, Surat, Chennai, Kolkata and Pune. This product is very reliable and durable.

### Attributes :
